## **SAFEGUARDING**

Safeguarding is a response to Resolution 189 passed at the Society's National Assembly on August 28, 2021 in Houston, Texas. The Safeguarding program consists of a background check and education via videos to ensure that vulnerable individuals feel safe and empowered when they use the services which our Society provides, and that the human rights of all persons are not violated.

Your volunteer acceptance will be based on completing the training and the results of this program. If you choose not to do the Safeguard training we can not accept your volunteer service.
